- This statement itemizes your actual escrow account transactions since your previous analysis statement or initial disclosure. The projections from your previous escrow analysis are to the left of the actual payments, disbursements and escrow balance. By comparing the actual escrow payments to the previous projections listed, you can determine where a difference may have occurred.
- An asterisk (*) indicates a difference from the projected activity in either the amount or date.
- When applicable, the letter "E" beside an amount indicates that a payment or disbursement has not yet occurred but is estimated to occur as shown.
- Your projected low point may or may not have been reached based on one or more of the following factors:

Freedom Mortgage does not recognize property tax deferrals, repayment plans, or third-party property tax lien transfers and will take the necessary action to pay your property taxes to ensure that our mutually vested interest in your property is not at risk. These programs create a lien on your property that takes priority over this mortgage lien in most cases and may result in interest at a high rate owed to the tax collector or a third party, payable over the course of the repayment plan or at the expiration of the deferral period. If you are having trouble making your loan payments and are considering or participating in one of these programs, please contact Freedom Mortgage for assistance at 1-855-690-5800.

FREQUENTLY ASKED QUESTIONS

Freedom Mortgage is providing you with this statement as a detailed analysis of the activity related to your escrow account. Escrow payments are included in your total monthly mortgage payments and held in reserve for future disbursements for your property taxes, insurance premiums, and/or other escrowed items.

Q. Why do escrow deposits change?

When changes in your taxes and/or insurance premiums occur or your escrow account is short of funds, your escrow deposit will adjust resulting in a new monthly payment.

Q. How often are escrowed loans analyzed?

Freedom Mortgage analyzes escrowed loans that are current according to the loan terms once every 12 months to determine the appropriate monthly escrow deposit. Additional analysis or payment adjustments may be necessary when there are significant changes in disbursement amounts of escrowed items.

Q. What does an analysis reveal?

An analysis determines if adjustments to the escrow deposit are necessary based on escrow disbursements for the upcoming year. If Freedom Mortgage has disbursed an amount higher than anticipated for any escrowed item(s), an escrow shortage may be created and a payment coupon will accompany the analysis. If Freedom Mortgage disbursed an amount lower than anticipated for any escrowed item(s), an overage may be created and a surplus check may accompany the analysis.

Q. Is a cushion in an escrow account necessary?

Yes, Freedom Mortgage requires a two month escrow cushion, where permitted by state law, to ensure there are sufficient funds for unanticipated disbursements.

Q. How is a shortage collected?

Shortages are collected over a 12 month period.

Q. How can you get additional information on your escrow account?

If you need more information, please contact us at 1-855-690-5900 or visit our web site at www.freedommortgage.com.
